

## 1. RoHS 2011/65/EC Compliance Declaration

We declare under our responsibility that our products, identified as EU RoHS compliant, are in conformity with the RoHS directive 2011/65/EC (on the restriction of the use of certain hazardous substances in electrical and electronic equipment). Exception in accordance with 2011/65/EC, Annex III.

Limits Maximum concentrations in percent by weight in homogeneous materials

≤ 0.1% (1000ppm): Pb, Hg, Cr6+, PBB, PBDE  
≤ 0.01% (100ppm): Cd

The information is based on information provided by our suppliers, published data and the documentation in 2011/65/EC. No attempt has been made to verify this information by third party analysis.

All information in this declaration is given to the best of our present knowledge and belief. The information given doesn't imply giving a warranty within the meaning of the warranty law.

## 2. ACPEIP (CHINA-RoHS) Compliance Declaration

The part that ESPROS Photonics AG has identified as China RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead (Pb), hex chrome (Cr6+), mercury (Hg), PBB, PBDE, and 0.01% for cadmium (Cd).

Packaging:

Our nonpolluting packaging – boxes, plastic bag and reels – is made of cellulosic, polystyrene (PS) and polyethylene terephthalate (PET).

To the best of our knowledge and considering our suppliers information we can confirm, that our products, identified as China RoHS compliant and our nonpolluting packaging are compliant to the ACPEIP regulation of the Peoples Republic of China and we see no hindrance to put them on the market according to this law.
