3D TOF touch-less Button

epc 611

3D TOF touch-less button

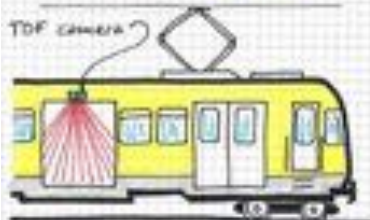

epc 635

- 10m x 6m pixel
- 5m range
- low cost

Check it out!

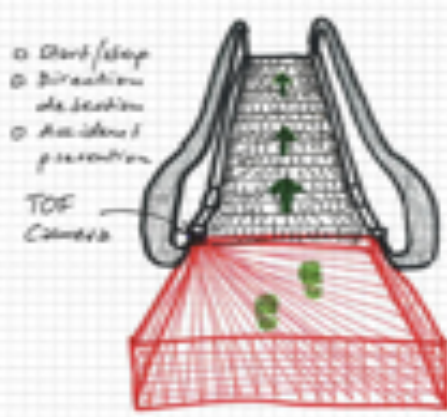

epc 635

- 10m x 6m pixel
- low power
- low cost

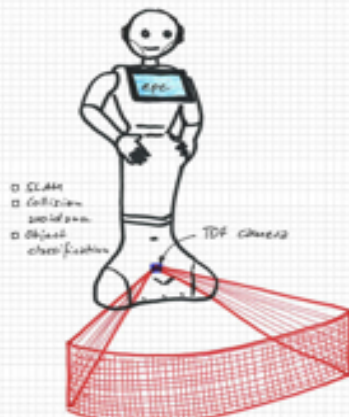

- door protection
- people counting
- easy to implement

Check it out!

- door / step
- direction detection
- accident prevention

TOF Camera

- SLAM
- collision avoidance
- object classification

TOF camera

epc 635

- 10m x 6m pixel
- 5m range
- low cost

Check it out!

epc 635

3D TOF camera

- 10m x 6m pixel
- 5m range
- 30 frames per second

epc 635

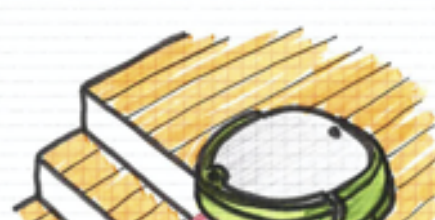

3D TOF camera

- 10m x 6m pixel
- 5m range
- 30 frames per second

- gate opening
- moving detection
- people counting
